.....
This typeface is freeware
and is meant „as is“.
You can copy and give it away to
your friends as long as the read-
me-file is included with the type
data.

Don't try to distribute it!
Don't put it on your site for
download without our explicit
permission!

You are allowed to use the font
for every kind of publication
(electronic/print), it doesn't
matter if it is commercial or not.
But we would be very happy to hear
about what you have created with
the typeface.
